Ask us about our early owner incentive which includes \$20,000 towards closing costs! The Reyna is a boutique, sixteen home urban community nestled in the Dawson neighborhood, off South Congress just minutes to downtown Austin. Offering 2 and 3 bedroom homes designed by local award winning architects, Davey McEathron Architecture and developed and built by Heartwood Real Estate Group. The units range from 912 SF to 2,100 SF and are priced from \$700,000 to \$1.4M. Each home features its own unique design, with individually designed floor plans and hand-picked finishes. Living at The Reyna, you'll call the heart of Austin home, a stone's throw to the many funky bars, restaurants, shops and cafes of this vibrant neighborhood. The central location offers easy access to multiple freeways, perfect for any commute. Unit 10B is 1,137SF with 2 bedrooms, 2 full bathrooms and a powder room on the first floor. Our favorite feature of Unit 10B is the fenced yard! For parking, the unit comes with two uncovered parking spaces.
