Blue Lake Estates, Horseshoe Bay, TX

Never before listed! Rare opportunity to own a phenomenal waterfront tract in highly sought Blue Lake Estates. All original Lake LBJ getaway which has been in the same family for many years. Talk about a true Lake House with big open living, kitchen and dining with original stone fireplace plus tall vaulted ceilings with lots of glass staring out to the tree-studded waterfront lot. Lower level bonus room would make a great place for a bunk room or secondary living space. There is an attached garage with a lakeside garage door to store all your gear or convert to additional living/sleeping area. Beautiful, grassy lot with gentle slope down to the cove-protected waterfront and two-stall boat dock with aluminum piers and support beams; this one will last for many years to come! Calm water, great for swimming and boating with open water views; it doesn't get much better than this! Blue Lake Estates is located in Horseshoe Bay, Texas, just outside the main resort area and is the closest part of Lake LBJ to both Austin and San Antonio. So much potential here; use as-is, remodel or tear down and build new but no matter which path you choose you cannot go wrong. Properties like this are few and far between and water this good is very hard to find. Load up the car and come on out to check out this once-in-a-lifetime opportunity to purchase in, what I consider to be, one of the BEST communities on all of Lake LBJ. Don't forget to check out the 9-hole golf course and multiple

community parks located just a golf cart ride away. This one is SPECIAL!
